Company profile:

HCL is a global technology and IT enterprise that operates in 31 countries. Its headquarters is in Noida, India. The company comprises two publicly listed companies, HCL Technologies and HCL Infosystems.

HCL was focused on addressing the IT hardware market in India for the first two decades of its existence with some activity in the global market.

On termination of the joint venture with HP in 1996, HCL became an enterprise comprising HCL Technologies and HCL Infosystems. HCL Technologies focuses on the global IT services market, whereas HCL Infosystems focuses on the IT hardware market in India and in APAC countries. HCL has since then operated as a holding company.
