Company profile:

Tech Mahindra is part of the US \$15.4 billion Mahindra Group and is a leading global systems integrator and business transformation consulting organization, focused primarily on the telecommunications industry. Tech Mahindra helps companies innovate and transform by leveraging its unique insights, differentiated services and flexible partnering models. This has helped customers reduce operating costs, generate new revenue streams and gain competitive advantage. Tech Mahindra expanded its IT portfolio in 2009 by acquiring the leading global business and information technology services company, Mahindra Satyam (earlier known as Satyam Computer Services).
